

The Center for Information Technology Road Show Dates and Places

CDR Henderson along with other members of the Center for Information Technology (CIT) will be hosting a Summit for Information Systems Technicians, Information Professional Officers and anyone else interested in learning more about the Navy's revolution in training. They will show you how to take charge of your career, and bring to light many exciting and ongoing innovations in learning. These innovations include greater accessibility to the tools needed to develop both personally and professionally, as well as an emphasis on more tailored and relevant training. The presentation will include a CIT Command Video/Brief, a 5VM demonstration, and an overview on the revolution in training. The presentation will be followed by a question and answer period.

Upcoming summits are scheduled for:

Yokosuka JA – 04 October 2004 – Benny Decker Theater (0900-1300).

Sasebo JA – 07 October 2004 - Community Education Center (2nd Floor) Rooms D & E (0900-1100).
